No. 26490 / V.

Pursuant to a notice from the Royal Imperial Administrative Office in Lemberg dated August 21, 1909, no. Va 3689/2,
20 /
you are hereby advised that on the basis of your physical examination performed in this office on February 19, 1909, you are released from having to appear before the muster committee in your home town for the year 1909 and have been classified as currently unfit.

At the same time, we point out that you are still liable for muster in the year 1910 and therefore must report promptly (in the month of November) to your home town.

In the event that you are still living abroad at the time of your muster obligation next year and should wish to undergo your physical examination at this Royal and Imperial Consulate-General or another Royal and Imperial authority regarding release from having to appear before your home town muster committee, you must file a petition to this effect at this office or at another applicable Royal and Imperial authority no later than January 1.

Petitions filed after January 1 will be rejected in accordance with the provisions of the Military Regulations.
