St. Louis, Mo.

Dear Rader:

On my last visit to St. Louis, I promised you that on my visit to Europe I would see how your dear Mother is and the rest of the folks.

It is impossible for me to describe to you under what conditions they are living particularly the Jews at large.

Your mother came to see me and gave me a letter which I am enclosing and pleaded with me that if I should see you to talk to you so that you may have mercy and help them in this terrible depression.

I expect to be in St. Louis the end of October and I will explain more about them. One thing, if you are in a position to help them please do so because it is impossible for them to live.

I hope that my letter will find you in the best of health. Wishing you a happy, healthy and prosperous New Year,

Very truly yours,

MAX KRAUS
